Introducing: Automatic e-Mail Delivery of Sea Waybills as a PDF Attachment

Dear Valued Customer:

NYK Line is pleased to announce an enhancement to the **B/L Processing** application which will allow customers to automatically receive Sea Waybills as a PDF attachment.

If you have access to the NYKLine.com **B/L Processing** application and you are subscribed to B/L Notifications for 'Ready for Proof' or 'Ready for Print' e-Mails, you will automatically begin receiving Sea Waybills as a PDF document attached to the e-Mail B/L Notifications sent to you by NYK Line. You may opt to turn this feature off at any time. To opt out of receiving Sea Waybills as PDF attachments, you may edit your profile settings under the 'My Profile' section of NYKLine.com and un-check the option to receive Sea Waybills as PDF attachments.

NYK Line is always striving to improve the quality and features of our eCommerce offerings. Now you can take advantage of our enhanced **B/L Processing** application to receive your Sea Waybills fast and seamlessly.

If you require any further information then please do not hesitate to contact us.

Thank you for your continued support. If you have any questions or require assistance please do not hesitate to contact our customer service team on:
