SOUTH BOUND RATE RESTORATION

In order to maintain a high standard of service to their customers, the participating member lines of AADA (Asia Australia Discussion Agreement) will be implementing a Rate Restoration program from **15th April, 2009** for all outward shipments with origin in China/Hong Kong/Taiwan/Korea to ports and points in Australia.

An increase of US\$250/TEU and US\$500/FEU will be applicable for both dry and refrigerated containers. The Rate Restoration will be incorporated into the base ocean freight. This increase will apply in full on top of existing ongoing market rates and will be subject to accessorial surcharges applicable at the time of shipment.

AADA is a voluntary discussion forum of 12 ocean carriers serving the trade from North and East Asia to destinations in Australia.

NYK is a participating member line.
