# ***CUSTOMER NOTICE***

## **BOOKING CANCELLATION FEE**

**In view of the increasing incidence of no shows / double bookings and late cancellations which not only have a considerable operational cost but also serve as a serious impediment to shippers acquiring space and equipment at times of high demand we will implement a cancellation fee.**

**NYK wish to advise that a booking cancellation fee of USD 50 per unit will be applied from December 1<sup>st</sup> 2011 unless the Shipper gives prior notification on all bookings cancelled within 7 days of the vessel cut off.**

**The Australian Peak Shippers Association has been notified accordingly.**
