## Katsuragi v 031N – Vessel Replacement

Dear Valued Customer,

NYK Line wishes to advise that the Katsuragi v030N will phase out in Port Kelang and be replaced by the Northern Dignity v 001 for one voyage only.

All Northbound cargo currently booked on the Katsuragi v031N will need to be rolled over to the Northern Dignity v 001N.

The Northern Dignity v 001N will remain on the same schedule as the Katsuragi v031N.

Our Customer Service team will be making contact with all Customers impacted by this change and will be also sending through new Booking Confirmations.

We understand it can be frustrating when plans change, and we apologise for any inconvenience caused. While we try to avoid any changes to our vessels schedules, in this instance it was unavoidable.

If you require further assistance, please do not hesitate to contact our **Customer Service Department** on:

**1300 883 001**

Yours sincerely  
NYK Line
