Port of Sydney and Botany Bay Update III

Dear Valued Customer,

NYK Line wishes to advise that the ports of Sydney and Port Botany were opened for normal harbour movements on Saturday 23rd July, 2011

As a result of the ports being closed last week there now is a considerable backlog of shipping to work through that will take some time to have vessels back on schedule.

NYK Line will continue to update our Customers through our Daily Vessel Schedule advises to ensure you are kept up to date with your vessel movements.

If you require further assistance, please do not hesitate to contact our Customer Service Department on:

1300 883 001

NYK Line regret any inconvenience this may have caused you and we look forward to your continued support.

Yours sincerely
NYK Line
